

## Nosey Parker

Group Size: Up to 13 players

Key Stages: KS1 KS2, KS3, KS4, KS5

Team Building Skills: Concentration, Listening, Communication

Equipment: Pack of Playing cards

This game is for up to 13 players as each player will need 4 cards from a pack of 52.

If you do not have 13 participants, you will need to sort out sets of 4 cards that all have the same face value. E.g 4 x Aces

The cards are then shuffled and then each player gets 4 cards. Each player can then look at their cards.

On the count of three each player must pass one of their cards to their right.

The idea is that each player is trying to achieve 4 matching cards. As soon as they have done this, they must place a finger on their nose.

The other participants must be constantly looking for someone doing this and then do the same.

It can be played eliminating the last player to follow this action
